Over a century and a quarter has passed since this country took its place among the nations of the earth and during that time we have had on the whole more to be thankful for than has fallen to the lot of any other people. Generation after generation has grown to manhood and passed away. Each has to bear its peculiar burdens; each to face its special crisis, and each has known years of grim trial, when the country was menaced by malice, domestic or fereign, when the hand of the Lord was heavy upon it in drouth or flood or pestilence, when in bodily distress and anguish of soul it paid the penalty of folly and a froward heart. Nevertheless, decade by decade, we have struggled onward and upward, and we nationally enjoy wellbeing and under the favor of the Most High he matter of the Guardianship of we are striving earnestly to achieve HENRY NAKAPUAHI and of MA- moral and spiritual uplifting.
